CATALOG ADDENDUM

Academic Year 2026–2027
Effective November 1, 2026

The following information was omitted, revised or otherwise changed during the 2026–2027 academic year. Please attach these catalog addendum changes to your current catalog.

1. Counseling and Placement Services

RCU, as a newly established university, currently does not offer dedicated counseling and placement services. However, plans are in place to introduce these services as part of our comprehensive Student Support Services once we reach a significant milestone in student enrollment. At that point, a dedicated team of professional counselors and career advisors will be brought on board to assist students with academic guidance, career planning, and job placement opportunities. This initiative aligns with RCU's mission to empower students with the tools and resources they need to succeed academically and professionally.

The refund amount for a student (who pays for the first installment of $405 and withdraws from all courses of the MBA program after the 3rd week of the term) the calculation considers both the general installment and the tuition fees for the two courses. In this scenario, the student is eligible for a 40% refund of the $324 tuition fee (representing the cost of the two courses). In addition to

In this situation, the following calculation will apply:

RCU Retains	Amount (USD)
Tuition fee per term (2 courses @ $162 per course)	$324
Portion of the tuition refund for the current course (Withdrawal in Week 3 of 8-week term)	$129.6 (324 x 0.4 =129.6)
